CAAM Provincial AAM Roundtable Registration

.
Since early 2024, CAAM has hosted closed-door quarterly briefings to unite provincial leaders in Advanced Air Mobility (AAM)—including airports, municipalities, provincial government, industry, and academia. These 60-minute sessions are designed to support collaboration, updates, and aligned action toward AAM operations in the province.

NOW OPEN TO ALL INTERESTED PARTICIPANTS.

While these sessions began as closed-door meetings for provincial stakeholders, CAAM is expanding access so anyone interested in the future of AAM—whether you're part of industry, government, education, or simply eager to learn—is welcome to join!
